

## Textcheck Certificate

Refnum:	24063001
Title:	Combined serum amyloid A and heparin-binding protein levels on admission reliably predict the severity and outcomes of COVID-19 infection in elderly patients: A retrospective study from Hangzhou, China
Date:	2024/07/04

We hereby certify that Textcheck has checked and corrected the English in the manuscript named above.

A specialist editor with suitable professional knowledge (M.Sc. or Ph.D./M.D.) reviewed and corrected the English. An English language specialist subsequently checked the paper again. The first language of both editors is English.

Please direct any questions regarding this certificate or the English in the certified paper to: [certified@textcheck.com](mailto:certified@textcheck.com)
