

Textcheck Certificate

Refnum:	20081502
Title:	Untitled document beginning: Spermidine is an endogenous biological polyamine that exhibits broad longevity-extending roles including anti-oxidative, anti-aging, and cell growth-promoting activities.
Date:	2020/08/20

We hereby certify that Textcheck has checked and corrected the English in the manuscript named above.

A specialist editor with suitable professional knowledge (M.Sc. or Ph.D./M.D.) reviewed and corrected the English. An English language specialist subsequently checked the paper again. The first language of both editors is English.

Please direct any questions regarding this certificate or the English in the certified paper to: certified@textcheck.com
