

Textcheck Certificate

Refnum:	21010905
Title:	Tracheal intubation in an out-of-hospital setting is associated with a high failure rate of the first attempt: A multicenter prospective study
Date:	2021/01/18

We hereby certify that Textcheck has checked and corrected the English in the manuscript named above.

A specialist editor with suitable professional knowledge (M.Sc. or Ph.D./M.D.) reviewed and corrected the English. An English language specialist subsequently checked the paper again. The first language of both editors is English.

Please direct any questions regarding this certificate or the English in the certified paper to: certified@textcheck.com
(Please quote our reference number: '21010905')
