Refnum:	13050621
Title:	The value of maternal procalcitonin levels for predicting sub-clinical intra-amniotic infection in preterm premature rupture of membranes
Date:	2013/05/09

We hereby certify that Textcheck has checked and corrected the English in the manuscript named above.

A specialist editor with suitable professional knowledge (M.Sc. or Ph.D./M.D.) reviewed and corrected the English. An English language specialist subsequently checked the paper again. The first language of both editors is English.

Please direct any questions regarding this certificate or the English in the certified paper to: certified@textcheck.com
